The Markle show boat, which gives a high-  
class vaudeville performance at the river next  
Thursday night, is the realization of the dreams  
and plans of one who has studied the subject  
and kept in touch with modern conveniences  
in the building and construction of a floating  
amusement place such as will inevitably attract  
the best class of people and finally bring to  
the designer his just reward in the matter of  
final earnings. W. R. Markle is the sole prop-

new show boat and its beauty and complete-  
ness of detail in arrangement is worth the  
price of admission without reference to the  
splendid performance.

MRS. MARY TRAXEL

Painfully Burned by the Breaking  
of a Coal Oil Lamp

A singular accident happened Wednesday  
night to Mrs. Mary Traxel at her home in  
West Second street. She was preparing to  
retire to her room on the second floor, and,  
with a lighted lamp in hand, was in the act of  
ascending the stairs, when the bowl of the  
lamp dropped off the stem and fell upon the  
floor, spreading a flame of fire all about her.

In her efforts to beat out the blaze with a  
rug she was seriously and painfully burned  
about the hands, arms and breast; fortunately,  
her face was not marred by the flames that  
for a time enveloped her person.

While she is confined to her bed, and her in-  
juries painful, it is given out by her physician  
that her condition is not dangerous.

How the lamp became broken is mystifying  
to Mrs. Traxel.

AMUSEMENTS.

Last night a \$400 house greeted "The Climax," the Weber production by John Locke. Its equal, as one of nature's pathetic stories, has never been seen in this city. It is a play in three acts with a dramatic personae of only four character, three men and a girl, Miss Anna Swinburne, who played the part of "Adeline Von Hagen," the music pupil. Her work was intensely real and satisfying and her singing of the various numbers, and her practice songs, were exquisitely charming. "The Song of the Soul" at the close of the curtain was a mind-picture long to be remembered. The acting of Arthur Cogleiser, Chester Barnett and Thomas Sinclair, gave equal support to the role of the young lady and marked each of the four as masters of histrionic interpretation. "The Climax" is one of the most beautiful, pathetic and soul-stirring musical-comedy-dramas, or playlets, we ever saw. It has dignity, depth and is so natural-life-like and so handsomely done, and with that indefinable something which sets one to thinking of the truly human and the elevating spiritual sides of existence. It must come here again.

THE man or firm who raises the price of a commodity "because of the Tariff" is an impostor. There is no Tariff rate in the new law that necessitates an increase of price of any article.—Clintwood (Va.) Journal.

It is said that the Banks of New York hold between \$500,000,000 and \$1,000,000,000 worth of stocks and bonds for foreign investors who have recently transferred their investments from their home countries in order to evade the payment of income taxes.

The Payne Tariff reduced the duty on pig iron from \$4 a ton to \$2.50 a ton, and yet that very week the price advanced from \$16 to \$16.50 or \$17, according to locality. This naturally makes the "plain people" wonder why "revision downward" does not benefit Mr. BOUTELL'S "ultimate consumer."

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are cured by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

COZY HOMES

OF YOUR OWN.

When you stop to think of the many pleasant gatherings you can have in a home of your own, can't you see the time you are wasting in a boarding-house, where nothing is or can be just as you want it? Half the joy of living is in associating with your friends—going to their homes and having them come to yours. What can you do in this way if you occupy a stuffy room in a boarding-house? How can you entertain your friends as they entertain you? Besides, it is so easy to

GET THE LITTLE HOME ACCORDING TO OUR PLAN

that you have absolutely no valid excuse for not having one. You can't consistently postpone your wedding from month to month and use as your excuse that you can't afford to give your sweetheart a home. That's all nonsense. You can give her a home tomorrow, and it won't embarrass you a bit financially. You can give her a home on the salary you are earning today. If you really want the girl, and want the home, there is nothing that stands in your way. We can tell you of a number of homes that we have created for young people, and they are as happy as they can be. Come in and let us tell you all about it and show you the cozy little homes we can make from \$75 upwards.

Frankfort Preacher Has Received Call From Lone Star State

Dr. M. B. Adams, Pastor of the First Baptist Church at Frankfort and one of the best known Ministers of that denomination in Kentucky, is at Dallas, Texas, in response to a call from the Gaston Avenue Baptist Church of that city. Dr. Adams filled the pulpit there yesterday.

Dr. Adams also now has under consideration an offer from the Anti-Saloon League of Kentucky to become its Superintendent, the chief executive post of that organization. He has had this proposal under consideration for some time, but has been disinclined to accept the post because it would necessitate his giving up his pulpit work.

Mr. Adams married Miss Mae Marshall, a daughter of the late A. K. Marshall of this county.

## OLD BOYS IN BLUE

At Dayton Soldiers Home Now Waited Upon By 65 Pretty Girls in Blue

The Soldiers' Home at Dayton has been recruited with sixty-five young women waiters for the veterans.

They wear blue dresses and rosy smiles. Applications for admission to the Home are likely to increase.

The privilege of being an inmate of the Home, however, invokes an honorable discharge won by many miles of marching, of the passage through roaring battles, of bitter storms of sleet and snow, of raging thirst and wasting fever, of perilous nights that passed away only to open upon dreary days.

No money can buy a ticket to the Soldiers' Home—only a certificate that he applicant has earned his rest through service, effort and privation, coupled with patriotism.

Happily, however, thousands of soldiers have their own homes, the main thing being to be on good terms with the Quartermasters, commissary and paymaster in the Pension Office. It is altogether fitting that the girls in blue should wait upon the boys in blue.

Harry Payne Whitney, who is on his way home from England, is quoted as having said to an Englishman before his departure: "Your horse races are far more enjoyable than those of America or France, but then you have good sportsmen behind you. ## BABY'S SUMMER REMEDY FREE

In a family where the children are still young few mothers experience the joy of passing a summer without the children becoming sick. As a rule the ailment is a trivial one, though it looks very serious. The trouble usually lies in the stomach or bowels, due to a summer cold or to unfit food, water or fruit—the hot-weather dangers. Before becoming alarmed, however, give the child a dose of DR. CALDWELL'S SYRUP PEPSIN when you put it to bed. The direction sheet that comes with each bottle will tell you the quantity to give, according to the age, and as the remedy is pleasant to take and does not gripe, the child will not refuse it. By morning it will be much improved, and in another day entirely well. That is the experience of thousands of mothers. Give it in constipation, biliousness, summer complaint, loss of appetite or sleep, sick headache, peevishness, etc. Do not give salts or purgative waters, tablets, pills or sleep-producing remedies that always contain narcotics, for these are unpleasant to take, gripe, and do only temporary good. DR. CALDWELL'S SYRUP PEPSIN is a vegetable compound, thoroughly tested in American homes for many years. Women, children and old people are among its staunchest friends. Your druggist will sell you a bottle at the small price of 50 cents or \$1.00.

Those who have never yet used DR. CALDWELL'S SYRUP PEPSIN and would like to make a test of it before buying in the regular way of their druggist, can obtain a FREE SAMPLE BOTTLE either for themselves or any member of their family by sending name and address to the doctor. The sample will be sent to your home free of charge. In this way you can find out what it will do without cost. Also, if the case presents difficulties that doctors and other remedies seem unable to overcome, write a letter to Dr. Caldwell explaining how the person suffers and he will give you his best MEDICAL ADVICE, based on half a century of experience in stomach, liver and bowel diseases, without charge. Women who have children should send for "SUMMER SUGGESTIONS TO MOTHERS," containing the doctor's advice on diet, hygiene, etc., in hot weather—a very important subject. The address is Dr. W. B. Caldwell, 507 Caldwell Bldg., Monticello, Ill.
